Farm Bureau Financial Services is pleased to introduce Tarra Terry as the most recent addition to the Grant office.

As a sales associate, Terry is excited about the opportunity to help Farm Bureau customers prepare for the future and protect what matters most to them by providing products and services that protect families, individuals and businesses.

Prior to joining Farm Bureau Financial Services, she was the office manager/bookkeeper at Deaver Computer Service in Grant for several years.

She is level II tax certified, has a certificate in accounting and finance, and has an Associates Degree in mathematics and science.

Terry has also worked at Perkins County Elementary School and plans on returning to volunteer next fall to help with the Box Tops Program.

She is a member of the Perkins County Chamber of Commerce and wants to help the community in any way she can.

“I think volunteering gives you a great excuse to learn something new, not only about the project you’re helping with, but also about the people you’re working with,” she said.

As a sales associate for Dustin Weiss, Terry feels blessed to have such a wonderful team.

“Our team has over 40 years experience and knowledge in insurance ranging from home, auto, farm, crop, business, life, health, and commercial,” she said. “We have five locations, including Ogallala, Grant, Imperial, Wauneta, and Hayes Center. We also have an in-house specialist for claims, so that your claims are taken care of quickly.”

Terry can be reached at 308-352-4320. Her office is located at 228 Central Avenue in Grant.
