Madrid residents have received a special thank you for their contribution to the community. David and Nancie Peterson of Madrid were selected to receive free fuel from Tanks of Thanks, a program that rewards people who do good deeds to help make their community just a little bit better.

The Tanks of Thanks program from Cenex®, the CHS energy brand, encourages people to nominate friends, family and neighbors for free fuel as a way to say thank you for doing good in the community. Each month, 100 nominees are randomly selected to receive free fuel from the Tanks of Thanks program.

The Petersons were nominated for going above and beyond in their community. They are active members of the Perkins County Senior Citizens Board and also volunteer their time to sort clothing for the Orphan Grain Train organization.

Earlier this month, the Petersons were selected to receive a $50 Tanks of Thanks gift card redeemable at any Cenex location.

“There are people doing good things in every local community, and these acts of kindness do not go unnoticed or unappreciated,” explains Akhtar Hussain, CHS refined fuels brand marketing manager. “Congratulations to David and Nancie Peterson, and thank you for your contribution to the community.”

According to Hussain, Tanks of Thanks is a multiyear program, so there is still plenty of time for others to nominate someone they know for free fuel. “Nominating someone for Tanks of Thanks is easy, and anyone can nominate or be nominated for any act of kindness big or small.”

To make a nomination, visit TanksofThanks.com and briefly describe why someone deserves a Tank of Thanks.
