

- Water Use: Figures for the month of July were released. Water usage for July totaled 17,331,600 which was an increase of 2,672,600 gallons over the previous month of June. However, a wet summer has resulted in a decrease in usage during July one year ago. There were 9,423,719 fewer gallons of water used this July compared to July 2008.
- Lotto: Sales at DJ's Bar and Grill totaled \$16,050 during the month of July with a payout of \$11,577, resulting in a net of \$4,473.
