The Perkins County Area Arts Council will present, "One Toe In The Grave," a comedy by Jack Sharkey, produced by special arrangement with Samuel French, Inc., Thursday-Saturday, March 18-20 at Perkins County High School's multi-purpose room.

The seven-member cast is nearly in place, and should begin practice sessions before the month's end at Meadowlark Gallery in Grant. Director Deb Richardson and Assistant Director Sally Shiers are looking to fill two more spots in the cast, and welcome any help from the community with setup, cleanup and set construction.

Any community members wishing to be involved should contact Shiers at 352-8335.

Proceeds from the event go toward promoting the arts in Perkins County and the operation of Grant's Meadowlark Gallery.
