

The Perkins County Senior Center/Community Center in Grant will host a table setting display/contest again this year.

The public is urged to take part in this fun and fanciful event.

The first event was held in June 2009 and had 14 participants.

Find some elaborate or whimsical dinnerware, tablecloths, placemats and decorations and bring them to the center and set a table. Because of limited space and the use of small tables, a setting of two places is suggested.

Card tables can be furnished, or participants may bring their own.

The public will vote on the entries and prizes will be given.

Set up will take place in the afternoon Friday, June 18 and judging will be done from Monday, June 21 to Friday, June 25. Prizes will be given at lunch time on Friday.

Prizes will be awarded to the three tables receiving the most votes.
