

Hastings Memorial Library launches summer reading program

“Make a Splash–Read!” is the theme this summer at the Hastings Memorial Library.

Children will explore the world of water and water fun through stories, songs, games, and other activities. The 2010 Summer Reading Program is open to young people ages three through eighth grade, with story hours, programs, prize drawings, a reading club, and more.

The program will begin June 7 and runs through July 10. Special story hours and programs will be held each Thursday throughout the program with a story hour for three- to six- year- olds starting at 9:30 a.m. and programming for ages seven – 11 beginning at 11 a.m.
