

As a result of the nuisance ordinance that was passed by the Grant City Council, West Central Nebraska Development District (WCNDD) has been designated the city's nuisance officer. WCNDD has conducted an independent assessment in a designated area in the community to identify potential properties that require clean-up. Courtesy letters were mailed and residents have been given 30 days to clean up areas of concern.

City officials provided a roll off dumpster in order to give residents the opportunity to dispose of non-hazardous discarded goods.

Items that have been looked at include unlicensed vehicles, auto parts, white goods, dead trees, trash, refuse, tires, and discarded items stored on properties and along alleyways. Residents wanting a copy of the nuisance ordinance may pick up a copy at City Hall.
