

The Western Prairie Resource Conservation and Development (RC&D) is sponsoring a "Complete Fundraising Workshop" Tuesday, Oct. 12 between 9 a.m. and 3 p.m. at the Prairie Museum of Art and History conference room in Colby, Kan.

The presenter will be Shannon Martin of Professional Grant Services.

Workshop topics include fund raising basics, long-range planning, special event planning, grant writing basics, and publicity and marketing techniques.

Those attending will leave with great ideas and an overview of each element in the fund raising pyramid.

At day's end participants will have developed their own long-range fundraising and marketing plans.

Martin's experience as a grant writer coupled with a background in marketing and fund-raising allows her to assist those from schools, non-profit organizations, government officials and others who need to raise funds and/or learn marketing techniques to help their organizations.

Registration fee will include a large amount of helpful information, the cost of a resource packet and lunch.

For registration and information and any questions, please call Western Prairie RC&D at (785) 462-7671 Ext. 5.
