

Ogallala Community Hospital and Ogallala Medical Group welcomes new physician Gabriel Godina, MD.

Dr. Godina is a family practice physician with special interests in obstetrics, diabetes and is fluent in Spanish. He is board certified with the American Board of Family

“We are excited for Dr. Godina to join our team and are fortunate he chose to come to Ogallala,” said Ogallala medical group clinic manager, Alyson Coffman. “He will be an asset to the community with the skills and knowledge he is bringing to our patients.”

A Colorado native, Dr. Godina completed his undergraduate work with the University of Colorado. He then completed medical school at the University of Colorado Medical School in 2004 and completed his residency at Swedish Family Medicine Residency Center in Littleton, Colo., in 2007.

After finishing his residency, Dr. Godina accepted a position with South Federal Family Practice in Denver, where he was employed until joining Banner Health.

Dr. Godina is a member of the American Medical Association, American Academy of Family Practice and the National Lipidology Association.
