

Rod Walrod (left) and Skyler Condon of Rod's Professional Painting spent the afternoon in the air Wednesday, June 8, donating time and paint to the bell tower at Zion Lutheran Church in Grant. Ken's Construction donated the lift to complete the job. Walrod has given of his time and talent on previous occasions to help with betterment of the community. So far this year, in addition to Zion, he has donated time painting the Thrift Shoppe at the Perkins County Senior Center in Grant with help from the Perkins County Youth Council and Boy Scouts. Some of the scouts were also members of the council, so since they were earning a badge for volunteering and learning, Walrod took time to teach them some special painting techniques.
