

A fascinating impersonation of the Samaritan woman at the well by Linda Anderson kept the audience's attention at the Christian Women's meeting Saturday, Feb. 18.

The dramatic presentation, based on the story from the fourth chapter in the book of John, portrayed the probable thoughts and emotions of a lowly Samaritan woman of dubious reputation being accepted by a man who is revealed to be the Messiah.

Jim and Linda Anderson completed the presentation with vocal and guitar music.

The attendees for the meeting at the Grant United Methodist Church were also entertained by beautiful piano music by Kay Softley and enjoyed a delicious dinner prepared by the Methodist women.
