

Wallace CWC needs help to continue ministry.

Due to health issues and conflicts the planning committee of the Wallace Christian Women's Club is in immediate need of people to help. Without the help of volunteers the Wallace Christian Women's Club will be forced to dissolve and there will not be anymore fun meetings with wonderful guest speakers.

A planning meeting is being held on Thursday, Aug. 2 at 1:30 CT at the Wallace United Methodist Church. Please plan on attending and bring family, friends and neighbors to learn more about how to help CWC continue in the Wallace area.
