Grant City Council released June figures for water use and lotto sales during their regular meeting the first part of July.

The figures include:

- **Water Use:** A total of 34,420,100 gallons of water were used during June, which was over a 5.6 million gallon increase from the previous month of May.

During May there were 28,781,000 gallons consumed by Grant residents.

In comparing consumption on a yearly basis, June 2012 saw 34,420,100 gallons used compared to 20,716,400 in June 2011. This was a 13,703,700 gallon increase.

- **Lotto:** Gaming sales at DJ's Bar and Grill totaled \$4,584 for June. Payout was \$2,283 for a net of \$2,301. An amount of \$15 went unclaimed.
