

Hastings Memorial Library in Grant was the recipient of funds from the Perkins County Community Foundation and used them to make the library more inviting to families, according to Librarian Robin Quinn (right). The funds were used to purchase a changing table for one of the bathrooms, several educational wooden puzzles and games for the children’s activity table and 14 new books for the children’s picture book section. Helping display the new purchase for the library are PCCF Chairman Michelle Ross (left) and treasurer Ashley Colglazier. (Photo by Jan Rahn)
