The lucky winner of an iPad 3rd Generation giveaway sponsored by Perkins County Health Services Foundation was Arlene Johnson of Wahoo whose name was drawn during Friday night's Homecoming football game.

Proceeds of nearly \$3,970 from approximately 800 tickets sold during the Perkins County Fair up until the game Sept. 7 will go toward the MRI installation project at Perkins County Hospital.

"The foundation is extremely grateful to Pinnacle Bank and everyone who supported the fundraiser," said Jody Snogren, Perkins County Health Services Foundation administrator, who along with Dan Wallin, foundation president, was in charge of the halftime drawing.

The iPad valued at \$630 was generously donated by Pinnacle Bank to support the fundraiser for the hospital.
