

Mid-Plains Community College, in conjunction with the UNK/Nebraska Safety Center, will be offering Commercial Driver's License training March 21-23 in North Platte.

This 15-hour course will help prepare participants for taking the basic CDL written tests.

Areas covered include general knowledge, pre-trip inspections, air brakes, combination vehicles and transporting cargo safely.

This class will also briefly cover topics that are an endorsement to a CDL. These include double and triples, tank vehicles, passenger and hazardous materials.

The cost for the class is \$189. Students have the opportunity to add 90 minutes of driving at an additional cost. Please indicate this at registration if interested.

Class will meet from 8 a.m. to 5 p.m. March 21-22 at the North Campus. Driving will take place on Saturday, March 23, starting at 8 a.m.

For more information or to register, call Crystal Welch at (308) 535-3714.
