

The Perkins County Lucky Clovers 4-H Club did a “Bake and Take” as a community service project on March 25.

The Nebraska Wheat Board sponsors the event every year.

You have to bake something with wheat and share it with neighbors, friends and shut-ins.

Our club chose to share our baked goods with the residents of Westview. A total of 11 club members participated. Some of the baked goods shared were cookies, muffins and cupcakes.

Anyone who wants to join the Lucky Clovers 4-H Club can contact Sarah Schrotberger or the local extension office.
