To make the 125th celebration of the Venango Community Church a very special occasion, those associated in any way with the church, past or present, are cordially invited to join the event scheduled for Sunday, Aug. 25. The surrounding community is warmly welcomed also.

To assist with planning, the organizing committee would like to get an estimate of the number hoping to attend by Aug. 1.

Please contact the church by calling 308-447-5540, by emailing [costrinc@hotmail.com](mailto:costrinc@hotmail.com) or find the church's 125th event on Facebook by searching for Venango Community Church.

Watch for more details in upcoming weeks.
