

Six members of the Grant Lions Club were in Imperial last week, helping their Lion neighbors to the south with the Imperial Lions bingo stand at the Chase County Fair.

The additional help evidently aided the Imperial Lions in a record-breaking 2013 year. According to the Imperial club's treasurer, more than 56,800 cards were played in the four days of bingo for a total sales that surpassed \$13,000. It's expected to be the best "net" income year on record for Imperial Lions bingo.

The Imperial club not only uses Lions to help at the bingo stand, but many community volunteers also step up to help.

Representing the Grant Lions who helped at the bingo stand last week were Ivan Regier, Ron and Gloria Patrick, Mike and Rita Long and Ted Tietjen.
