

The Wallace Volunteer Fire Department has two new rescue vehicles. The ambulance was delivered in the fall of 2013. The brush truck arrived in February of this year. Fire chief Ray Jameson said it wouldn't have been possible to upgrade these vehicles without the support of the Wallace community. To say thank you, the Wallace Volunteer Fire Department is hosting a free pancake dinner on Sunday, March 30 from 11 a.m. until 2 p.m. (CT). Those who can come can expect a meal of sausage and pancakes with juice and coffee for beverages. (Photo by Nora Jameson)
