

The 2013 Association of Nebraska Art Clubs (ANAC) conference was held at Alliance June 12-15. The conference included workshops and an art show.

The Art Society of Ogallala was one of 42 clubs with art at the show. Representing The Art Society were Marcia Bauerle of Imperial, Jenny Watkins of Lemoyne, and Nancy Dee of Haxtun, Colo.

Baurele received a Certificate of Excellence award for her mixed media piece titled "1-2-3 Grace" and Dee received an Honorable Mention for her watercolor titled "Yavapai Yucca."

Out of 331 entries in the ANAC Art Show, a "Best of Show" was chosen, and 24 pieces were picked to receive "Certificate of Excellence" awards. "Honorable Mention" awards went to 24 pieces.

Best of Show and Certificate of Excellence art pieces comprise an ANAC Travel Show. The 25 pieces will be shown at 20 locations in Nebraska hosted by a local art club in that area. The Art Society is hosting the show at the Petrified Wood and Art Gallery, 418 East 1 in Ogallala, March 31-April 25. The gallery is open Monday – Saturday from 9–4 each day.
