

The 2010 Nebraska Cattlemen midyear meeting will be held in North Platte Thursday and Friday, June 3 and 4, hosted by NC President Bill Rishel and the Lincoln County Cattlemen.

A great line up of speakers and activities for members is being planned for the two-day event.

Nebraska Cattlemen members are encouraged to make plans to attend the 2010 Midyear Meeting and take part in industry discussions during the six NC policy committee meetings addressing animal health, brand, education, marketing, natural resources and tax issues.

Many issues affect Nebraska cattle producers and your voice can be heard during policy discussions at these meetings. The event is an opportunity for members to shape policy and provide direction for leadership and staff.

The event's activities will start the morning of June 3 with the NC Board of Directors meeting followed by the Annual Midyear Golf Tournament at the Rivers Edge Golf Club (formerly North Platte Country Club).
