

A host of activities were marked at Perkins County High School last week in recognition of FFA Week, Feb. 15-22. Some of the special activities included a staff breakfast put on Feb. 20 by FFA members for all PCS staff and the culmination of the week was ‘Drive Your Tractor to School Day’ on Friday, Feb. 21. The thunder of the tractors rumbling down the street could be heard before class on Friday with the FFA members getting a chance to enjoy a drive in pleasant weather before the most recent snow storm hit.
