

Free Fishing and Park Entry Day, Saturday, May 22, will be a chance for people to go fishing or visit a state park area in Nebraska and enjoy the experience without buying permits.

Although no fishing or park entry permits will be required on the free day, which is celebrated annually on the Saturday before Memorial Day weekend, all other fee requirements, laws and regulations will be in effect.

Anglers at Two Rivers State Recreation Area trout lake will be required to purchase a daily trout tag.
