

Perkins County Lady Plainsmen were defeated in three sets by Chase County in a dual on Thursday, Oct. 4 in Chase County.

Despite excellent performances at the net, the Plainsmen struggled to unite as a team and finish plays.

Senior Shania Metcalf had 10 kills and one ace block. Ace serves were delivered by Carlie Waitley, Courtney McClenahan and Michi Prante.

“The numbers show how even we were at the net,” said Head Coach Penny Hite. “We just need to get ourselves back to playing as a team and carrying our hard work in practice onto the court.”
