

In Nebraska, hunting is a sport, social event, type of relaxation and family tradition.

This fall, Western Insurors, the Thomas Agency of Sutherland and Platte Valley Agency of Ogallala have teamed up with Rick Windham and his Outdoor University Series to promote hunters' safety.

On Thursday evening, Oct. 25 at 7 p.m. CT a free "firearms safety workshop" sponsored by Western Insurors will be held at the Public Safety Building in North Platte. Pre-registration is necessary to reserve seating. Go to westerninsurors.com or stop in one of their many locations in western Nebraska.

"We are in the business of protecting people and understand that education and protection are key elements to a safe and happy hunting season," said Western Insurors Office Manager Carrie Brown. "We are excited about the firearms safety class and working with Rick. We believe strongly in giving back to our communities and thought what better way than by promoting hunters safety. We have also developed and dedicated an entire section of our website to hunters."
