

The Perkins County Jr. High Student Council will be holding their First Annual Coat Drive Nov. 16-30. The students will be collecting winter clothing, including coats, jackets, mittens, gloves, hats and scarves.

The items collected will be distributed to families in Perkins County and the surrounding communities who, through these economically hard times, find it difficult to purchase these necessary items for their children.

The Jr. High Student Council would ask that the items you donate are in good condition without rips or tears and that all coats and jackets fully zip.

Any and all items being donated can be delivered to the Perkins County Elementary School in Grant or the Perkins County Jr. High School in Madrid.

If there are any families in the community known to be in need of these items, please contact Terry Prante at 308 352-4313 or 866 577-7869.
