

The Mid-Plains Community College Center for Enterprise will offer an ASE (Automotive Service Excellence) preparatory course in February and March at the North Platte Community College North Campus.

This class will prepare students to take ASE certification exams. It will cover ASE history, types of questions, certification areas, and reasons for becoming a certified technician as well as practice test sessions.

The class will be offered from 6:30 to 9:30 p.m. CST on Wednesdays from Feb. 24 to March 24 and the second offering is from 9 a.m. to 3 p.m. on Saturdays, March 13-27. Classes will take place in Room 305 on the North Campus.

Cost of the class is \$171, which includes tuition, fees and the textbook. Deadline for registering for the Wednesday class is Feb. 17, and for the Saturday class is March 8.
