

Air Force ROTC Detachment 465 at UNL is currently collecting old cell phones for Cell Phones for Soldiers.

For every cell phone that is collected a calling card will be given to a soldier being deployed, offering them the ability to call home. Public help is needed in collecting old cell phones—they don't even have to work.

There will be a drop box located at In and Out, Deaver Computer and Viaero in Grant.

Please contact Dawnie Ross at 308-352-8002 with any questions. Thanks for supporting our troops!
