

The Trailblazer RC&D, a non-profit resource development organization, is sponsoring a weekend get-away designed for women.

The workshop is designed primarily for women 21 years of age or older. Educational sessions useful in a variety of outdoor activities will be presented.

Each participant can pick and choose which of the various sessions they wish to attend.

The program will be held August 6-8, 2010, at the South Central 4-H Camp, on the banks of Harlan County Reservoir near Alma. For more information, or to request a copy of the brochure and registration form, contact the Trailblazer RC&D at (402) 746-3560 or email [jan.harvey@ne.usda.gov](mailto:jan.harvey@ne.usda.gov)
