

Central Community College-Grand Island will offer a water operators training session, "Back to the Basics," from 9 a.m. to 4 p.m. on Sept. 29 at Educational Service Unit No. 16, 314 W. First St. in Ogallala.

The training is designed for water operators and other individuals in the water industry who want to learn about water system chlorination and related issues. The Nebraska Department of Health and Human Services has approved the course for recertification continuing education units.

Preregistration is required at least a week in advance. The cost is \$55. For more information or to preregister, contact Sue Carlson at CCC-Grand Island at (308) 398-7527; toll-free at 1-877-222-0780, ext. 7527; or by e-mail at scarlson@cccneb.edu.

A detailed brochure may be downloaded at www.cccneb.edu/commed. Use "water operator" as the keyword search term.
