

It's open enrollment season for Medicare D - Prescription Drug Coverage - until Dec. 7.

Help is available. The Department of Insurance has trained counselors ready to help those with any questions and to compare present coverage with what will be available in 2013. Drug coverages available change as do premiums, deductibles and co-pays.

A phone call to 352-4612 or 352-6802 will get an appointment for people to work personally with a trained counselor to assess the choices.

Changes can only be made once a year. Now is the time to check out coverage.
