

Multi-Platinum group Lady Antebellum will bring their 2013 concert tour to North Platte for The US Cellular Summer Jam Concert Series at NEBRASKAland DAYS on June 21, 2013.

Lady A's record breaking third disc OWN THE NIGHT debuted at the number one position on billboard's top 200 chart in October 2011, becoming the biggest first week debut by a country artist last year.

The album has already produced two number one singles—"Just A Kiss" and "We Owned The Night." The band has now tallied six number one hits since its debut in 2007.

The current single, "Wanted You More", is now being played on country radio stations and is making its ascent up the charts. The trio's previous two albums, "Lady Antebellum" and "Need You Now," have sold over six million albums across the globe, spawned four number one hits, scored six Grammys and over a dozen other trophies.

The group received five nominations for the 2012 Academy Of Country Music Awards and won the Group Of The Year award for the third straight year. Additionally, the group received a 2012 Grammy award for Country Album of the Year.

Past wins include Vocal Group of the Year at the 45th Annual CMA Awards, Favorite Country Band, Duo or Group for the 2011 American Music Awards, and being one of CMT's five Artists of the Year for 2011.
