

Cake in a minute

I don't know about you, but I have a terrible sweet tooth—especially come winter when I am cooped up in the house more than I am in the summer. This little recipe will be at the top on the sweet fix list in our house for sure since it is easy and doesn't require very much effort. Just a little quick fix for the sugar bug in me.

Cup o' Cake

1 box angel food cake mix
1 box cake mix of your favorite flavor

Mix together in a Ziplock bag. When you are ready for a little snack take 3-4 tablespoons of mix, 2 tablespoons water and stir. Put in a microwaveable dish and pop in the microwave for 1 minute.
