

Grant business praised

Dear Editor:

I would like to let everyone know that I think Poppe's Posies is a wonderful place of business. It is as "up to snuff" as many places in the city.

There is a myriad of gifts, collectables, accessories and flowers in the store. This is a wonderful addition to the other stores in Grant. I try to visit this lovely place, generally on a weekly basis. There's always something new and interesting that has been added.

The floral part of the store is of wonderful quality. The originality and presentation of the flower arrangements are unmatched.

Another quality about the store I love is the happy and friendly environment. It is a joy just to go in and visit, even if I don't buy anything.

I just wanted everyone who reads the Tribune-Sentinel to give this business a visit—you won't be disappointed. I'm sure you'll be as impressed as I am.

Sincerely,

Karon Bennett

Grant
