

Dear Editor:

I love Friday afternoons because that is when I get my Tribune-Sentinel.

There are a lot of names I don't recognize anymore, but there are a lot of names I still know.

Thanks for the great job you and your staff do in writing and putting out the paper.

There are so many fine things about a small town, and I was reminded of this last week.

HomeTown Agency is a 12 out of 10 in my opinion! I had purchased a health insurance policy from them, and some medical issues made it financially better for me to drop that policy and do a COBRA with my old insurance from Lincoln Public Schools.

Jeff Skeels and Larry Pritchett never once made it about what was best for them—it was always about what was best for me.

I can't speak highly enough of the personal, caring service they gave me.

When people ask where I am from, I always say Grant, with a lot of pride.
