The international franchise SUBWAY® will be coming to Grant sometime over the summer.

Contingent on financing, the new business will occupy what has been known for the past five years as the Perkins County Youth Center at 222 Central Avenue.

Michael and Jane Jonasen of Imperial will be the new franchise owners at the end of April if everything progresses smoothly.

The Jonasens operate the SUBWAY® in Imperial, their third store which opened in 1995. Their first was opened in McCook in 1993 and is still in operation. Their second was opened in Ogallala and later sold.

Eight months ago, rumors were circulating that a SUBWAY® was coming to Grant, however, it did not develop at the end of last summer.
