Get ready for a fun-filled, action-packed, caloric-overload Fourth of July at Grant City Park on Wednesday when Chamber sponsors the 125th anniversary celebration in conjunction with our nation's birthday.

There will be activities spread throughout the day. Start early with a Firecracker Fun Run at 7 a.m., and end in awe of a spectacular fireworks display.

In addition to the scheduled events during the day, booths of face painting, photos, and 125th memorabilia items will be set up in the park. Music and announcements by DJ Matt Chandler-Smith will add to the celebratory ambiance at the park.

A unique addition to the quasiquicentennial is a "dumpster painting contest" sponsored by the Perkins County Area Arts Council. They'll be auctioned off at the end of the day and winners can enjoy a painted receptacle in their alley!

Another delight for the day is entertainment in front of the band shell at 6:30 when a "Will Rogers" presentation follows the talent show.

There will be food, games, contests, swimming and bounce houses for kids, more food, a talent show, and of course plenty of opportunity to visit, watch events, peruse what's happening, and enjoy the day with fellow residents and family.

The extended forecast promises temperatures in the high 90s for the day's event. It's a celebration you won't want to miss. Come spend the Fourth in Grant!

Schedule of Events
