

Cruise around, or just watch! Visit, eat, watch a movie—it's all at Grant City Park.

By Jan Rahn

Managing Editor

As a sequel to last year's successful evening, the City of Grant is planning to host the second annual Cruise Night on Friday, Aug. 2.

Everyone is invited to gather at the park at 6:30 p.m., enjoy a hot dog and drink provided by the city, then watch the cruising!

Anyone can participate—several older model vehicles took part last year, creating memories of when muscle cars, saddle shoes and sideburns were the popular rage.

A movie in the band shell at the park will add to the evening's amusement.

"Back to the Future" will begin at dusk, sponsored by Perkins County Chamber and Midwest Electric.

Bring your favorite ride and join in the fun—cruise town, visit with friends, eat, and pretend you're at a drive-in movie! What better way to journey back in time.
