

Evan Eberly (right) learns the fine art of making eggs in a hurry for hundreds of people from Nancy Burge. Eberly and Burge were among the many Grant Lion's Club and Thrivent members who helped put on the annual pancake feed Thursday, Feb. 6 at the fairgrounds. According to Lion's Club member Mike Long, the unofficial total for the tally from the meal was \$3,000. The funds will go to help Mona Lierley and Todd Lower and donations can still be made by contacting Long. (Photo by Tim Linscott)
