

Community Action Partnership of Mid-Nebraska, Perkins County Head Start will be taking applications for the 2010-2011 program year on Monday, Oct. 11, from 4 p.m.-6 p.m.

Head Start is a child and family development program for three and four year olds and their families. Program services include education, nutrition, health, disability services, and family support.

Services are at no cost to those who qualify.

Mid Head Start, Perkins County is located in the elementary School at 419 Logan Avenue in Grant.

Come and meet the Home Based Family Educator, Carrie Keith and she will help fill out an application.

To complete an application for a child, please bring the following: the child's birth certificate, immunization record, social security card, proof of insurance (medicaid card and proof of the family's income for the past 12 months.

If unable to attend at this time please call (308)352-4847 to set up another time to complete the application.

Don't delay! Give a child a Head Start today!
