

## Volunteer readers needed at elementary

---

We are looking for people who would be interested in helping with the Volunteer Reader Program at Perkins County Elementary School.

This would be listening to children read, go over sight words and some reading comprehension.

It would be one day a week on either Tuesday or Thursday for 30 min. with first and second graders.

The only requirements are to be willing to listen to a short training session and love to work with children.

If interested please call Tandy Overstreet at the school at 352-4313.
