

North Platte Community College will host College Transfer Day from 8:30 a.m. to 12:30 p.m. CT on Thursday, Feb. 3, in the fireplace area at the South Campus.

College Transfer Day is designed for any Mid-Plains Community College student, current or past, who is considering transferring to a Nebraska four-year college to continue their education. This is specifically for transfer students, not high school students whose application process and needs are different from those of the transfer student.

The event will give MPCC students an opportunity to visit with representatives from Nebraska's four-year colleges and universities and learn about the programs, finances and admissions requirements at those schools. The representatives also provide students with information on how to transfer, and will help them later through the process of applying and enrolling at the transfer school of their choice.

For more information, please call Sherry Mihel at (308) 535-3710.
