

Perkins County Elementary School has been honoring students each month as Student of the Month. Each classroom teacher selects a student they feel has met the following criteria.

- meets homework and classroom requirements
- is prepared for class
- participates in class
- has a positive attitude towards learning
- is helpful towards teachers and students
- is responsible

For being selected as Student of the Month, each student received a free movie pass to Prairie Theatre in Ogallala (which were purchased with Box Top funds), a certificate, and their picture on display in the school. The students family were also invited to join them for lunch to share in this special honor.
